

EXPLODED VIEW, PARTS AND PRICE LIST Model 1400 & 140

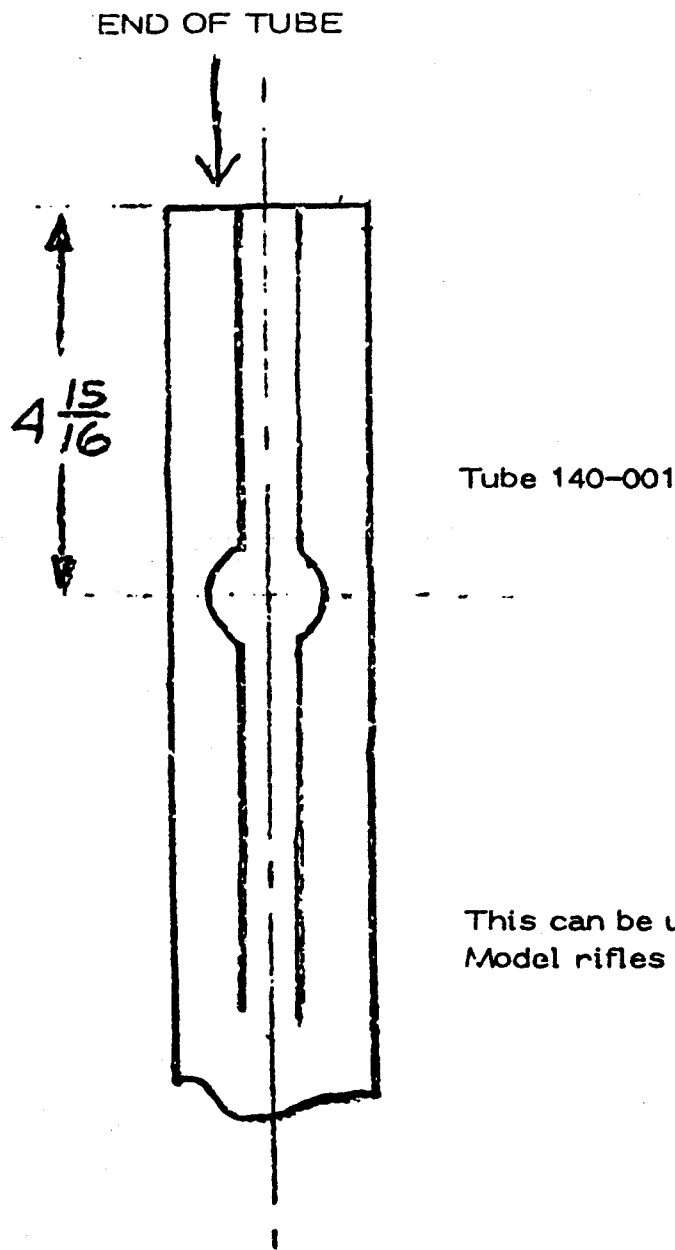

This parts and price list is intended to be an informational guide in ordering Crosman parts. It is not instructional material and we therefore assume no responsibility for those who use same without proper factory training.

MODEL 140
DISCONTINUED IN 1968

*Factory Assembly Only

This can be used on these
Model rifles - 101, 108, 120
140 and 1400

The 140-074 Lever & Link Assy is no longer available. We have replaced this with the 1400-014 Lever & Link Assy. This Assy consists of a larger Lever Link Rivet. In order to do this the lever slot has to be filed or milled out to accept the larger rivet. The drawing above will help you locate the point to mill or file tube slot.
